

LA LUZ WATER CONSERVATION MEASURES

Whereas, the La Luz MDWCA Board of Directors has implemented a policy mandating certain water conservation measures during the time of the year when Daylight Savings Time is in effect, and;

Whereas, conditions may exist in the Tularosa Basin that would make expanding the time during which water conservation measures are in effect in the interests of the health, safety, and welfare of the citizens of the La Luz Mutual Domestic Water System.

Water Conservation:

The following water conservation measures shall be in effect at the times specified. **NO PERSON, FIRM OR CORPORATION SHALL USE ANY WATER IN VIOLATION OF ANY PROVISION OF THIS SECTION.**

(A) The following water conservation measures shall be in effect for all users on the La Luz water system during the period of the year when daylight savings time is in effect.

(1) Outdoor use of water through a sprinkler system or use of water through a hose to water any grass, trees, plants of other vegetation shall be determined as follows:

a. Users with odd numbered addresses shall be permitted to use water in the above manner on each **Wednesday, Friday and Sunday.**

b. Users with even numbered addresses shall be permitted to use water in the above manner on each **Tuesday, Thursday and Saturday.**

c. Watering in the above manner **shall be prohibited on each Monday.**

d. Newly seeded or sodded lawns or newly planted trees or shrubs shall be exempted from these restrictions for the time period needed to establish the lawn, tree or shrub which time period **shall not exceed sixty (60) days.**

e. Newly seeded or sodded shall mean an area that visibly lacks vegetation. Watering shall be restricted to an area that covers newly seeded or sodded portions of a lawn without extending unnecessarily to areas with established vegetation.

LA LUZ WATER CONSERVATION MEASURES

Page 2

f. Newly seeded or sodded lawns and newly planted trees or shrubs shall be exempted from the odd-even watering scheme, **but are not exempted for the hours when watering is permitted.**

(2). The conservation measures detailed in paragraph one (1) above shall be in effect during the period that daylight savings time is in effect and shall apply to all residences and to all businesses and institutions having grass, trees, plants or other vegetation. Areas watered using ditch water or wells are exempted from these restrictions.

(3). Beginning with the implementation of daylight savings time and continuing throughout the duration of daylight savings time, outdoor watering of grass, trees, plants or other vegetation **shall be prohibited between the hours of 10 a.m. and 6 p.m.**

(4). The provisions of this policy taking place during daylight savings time may be implemented at other times of the year by the La Luz Board of Directors upon determination that conditions surrounding the water supply warrant the imposition of such conservation measures.

(5). Violators will be given **one warning**, further violations could result in suspension of water service.

If you have any questions, please attend our next Board Meeting on April 12th at 7:00 p.m. here at the water office on Section Rd.

Thank you.

Sincerely,

Board of Directors
LLMDWCA
